

From atherosclerosis to thrombosis – where are we now?

with Martin R Cowie and Steen Dalby Kristensen

Lunch Symposium, Friday 4 May, 12:30–13:30

Welcome and Introduction

Moderator: Professor Steen Dalby Kristensen,
Department of Cardiology, Aarhus University Hospital, Denmark

Antithrombotic therapies in Coronary Artery Disease (CAD)

Speaker: Professor Martin R Cowie,
Department of Cardiology, Imperial College London
(Royal Brompton Hospital), UK

Atherothrombosis

- ◆ An universal disease with different clinical manifestations

Atherothrombotic therapies in CAD – state of the art

- ◆ CAPRI, CHARISMA, PLATO, PEGASUS, ATLAS ACS TIMI 51

For how long should we treat?

- ◆ Acute vs. Chronic therapy and the mechanism behind

What was the mechanistic take homes from ATLAS ACS TIMI 51?

- ◆ Dual Pathways as a concept

Questions/discussion

How do we handle CAD in Denmark?

Speaker: Professor Steen Dalby Kristensen

Where are we heading?

Latest news in the NBV and why

Questions

Venue: Hotel Nyborg Strand, Østerøvej 2, 5800 Nyborg
